

SMALL BUSINESS LICENSE PACKS TAILORED FOR YOUR SECURITY NEEDS

You invest too much in your business to leave it unprotected from cybertheft, data loss and dangerous malware. Kaspersky Lab's specially priced small business bundles give you the choices you need to find the right award-winning protection at the best value possible. Promotional pricing ends December 31, 2016.

Kaspersky Small Office Security

Ensure your business has all it needs to secure workstations and servers with top antivirus protection, web controls and a single management console. Protects up to 25 users—ideal for very small businesses.

Kaspersky Endpoint Security for Business-Select

Get an even more robust workstation, server and mobile security solution, providing simplified controls and management.

Kaspersky Endpoint Security for Business-Advanced

Get our most complete small business package. This package adds encryption and patch management to our Select SMB Pack options.
